

The book cover is a deep green color with a fine, woven texture. It features embossed decorative elements: a large, stylized 'M' shape in the upper half, composed of four rounded, arch-like sections, and a matching 'M' shape in the lower half. A horizontal band across the middle contains the title in blue serif font.

MINNEWASKAN

Glenwood High School now has a distinctive coat of arms, or crest, which has been designed specifically to portray the most outstanding characteristics of the school and community. A brief explanation of the symbols that appear on the crest follows.

Below the LAKERS appears a sailing schooner which depicts not only gracefulness but strength—an appropriate symbol for our school's nickname. There are five symbols in the main part of the crest; each one depicting a part of our school's tradition, activities or heritage: 1) The armor and sword in the center portray our "Lady of the Lakers" Homecoming tradition. 2) The lamp of knowledge in the upper left corner describes our outstanding accomplishments in scholarship and academic excellence. 3) The musical lyre in the upper right corner acknowledges our fine tradition of accomplishment in the area of music and the fine arts. 4) The "winged foot of victory" depicts our achievements in athletics and physical activities. 5) The head of Chief Pezhekee in the lower left corner indicates our appreciation of our local heritage, and of the marvelous history and folklore of Glenwood and Pope County.

NATIONAL HONOR SOCIETY

A chapter of the National Honor Society was begun in Glenwood with the name, E. N. Norgaard Chapter. The charter members were chosen from the junior and senior classes by a faculty committee. Scholarship was the major consideration, but character and leadership were also factors. Only a set percentage of each class can be elected, resulting in the selection of six juniors and sixteen seniors.

The National Honor Society banquet was held on March 1 at the Methodist Church. Attending were charter members of the E.N. Nordgaard Chapter, their parents and members of the faculty. Pastor Zemek asked the blessing and gave the benediction. Dean Rodney Briggs, of the University of Minnesota Morris, was introduced by Superintendent Sutter. He spoke to the audience on the topic of "Challenges For Youth." Mr. McCarty read the charge and Mr. Hanson conducted the initiation. The initiates received Honor Society pins during the candle lighting ceremony.

The annual staff was made up entirely of seniors who worked either on the advertising staff, under Patricia McCarty, or the production staff under Diane Graves and Susan Sharp, or the circulation staff under Patricia McCarty.

The advertising staff took in ads and the circulation staff took orders for 500 annuals. The production staff made sometimes futile attempts at meeting deadlines, but the result of the work of these seniors is the 1966 MINNEWASKAN.

The paper staff produced material and met deadlines for issues of the MINNEWASKA NEWS, during the school year 1965-66. In spite of difficulties at the beginning of the year, such as lack of sports editor and photographer, the paper was written and published solely by the students (except for the printing process) and as such is a credit to G.H.S.

"A" RATINGS AT DISTRICT CONTEST

At the District 22 Music Contest at Alexandria of the seventeen entries, five soloists and nine ensembles received "A" ratings. These participants entered the State-Region contest at Morris, and eleven of the fourteen entries received "A" ratings.

The Glenwood High School Concert Band, under the direction of Mr. John Varner, enjoyed a most successful year. A full schedule of marching and pep band activities was carried out, as well as the annual Fall and Christmas concerts with the choir.

In February the Laker band was featured on WCCO radio as the Prep Parade "Band of the Week." Two bandsmen, Susan Sharp and Patty Dougherty, were selected as members of the All-State band. Their activities included a summer camp at Bemidji State College and a performance at the February MMEA convention in Minneapolis.

The five soloists and nine ensembles pictured received "A" ratings at the district contest and continued at the State-Regional contest in May.

The two-day spring trip to Winnipeg was a tremendous event. Concerts were played in Halstad High School and at Westwood Collegiate in Winnipeg. The band participated in the 48th Annual Manitoba Music Festival, the largest of its kind in the world. In the band category the Laker band entered the two top divisions,

winning the highest awards in those areas and highest of the entire band contest, with 179 points out of a possible 180. Also the highest praise and commendation from the adjudicator, Mr. Wyndham Williams of Great Britain, were given to the band. The exchange concert again found the concert band an outstanding musical organization with highest ratings and congratulations from all three judges, especially on the selection, "Incantation and Dance" by John Barnes Chance. Several students are waiting for results of auditions for next year's All-State Band, the Summer Creative Arts scholarships at the U of M, and college bands and scholarships.

The highlight of the year, the Spring Concert, included guest conductor and cornetist, Ronald Q. Johnson of Bagley, Minnesota. The final performance of the 1965-66 school year at commencement is followed by a new season of summer concerts and parades. The Concert Band will make its appearance at the 1966 Minnesota State Fair in August.

The Glenwood High School Senior Choir had a rather busy and eventful year. Its widely varied selections were presented for Glenwood's evening Homecoming King and Queen Coronation in October, then for a fall band and choir concert in November. Before Christmas the choir presented a half-hour television program of sacred and secular seasonal numbers over KCMT-TV, programmed a Christmas Choir Concert in the school auditorium, and sang at the All-School Christmas program.

February found the group at the annual choir exchange program at Sauk Centre where they performed for the school student body. Later in the month the choir enjoyed its invitation to be a guest performing

unit at the annual Minnesota Music Educators Winter Clinic at the Radisson Hotel in Minneapolis. There they gave a concert for state music educators and then worked as a clinical demonstration choir under the direction of clinician Clyde Holsinger of Manchester College, Indiana.

Solos, ensembles, and choir entries were presented at the district contest, with seven soloists receiving star ratings, which allows them entry in the State-Regional Contest, where they took the highest awards. In May the mixed choir gave the annual spring choir concert, sang for baccalaureate and commencement exercises, and ended a demanding but highly rewarding year.

The varsity debate squad had its most successful season since debate was reorganized in Glenwood three years ago. The five man squad, made up of four seniors and a junior, alternated positions while attending eight tournaments. The year end record shows a total of 42 wins and 17 losses for the team. The debators worked with the topic, Resolved: That the Federal Government Should Adopt a Program of Compulsory Arbitration of Labor Disputes in the Basic Industries.

Declaimers also had a good year, as seven students survived the district elimination to attend the region speech contest: Rosemary Svec, Linda Lyslo, Renae Jacobson, Terri Anderson, Rose Meade, Barb Pawlitschek and Kathy LeDuc. From this point Linda Lyslo and Terri Anderson went on to the state level and received the coveted 'A' ratings. Renae Jacobson was an alternate to state but did not have the opportunity to

deliver her selection, a serious cutting from "John Brown's Body." Linda's winning oration was entitled "D and C on Trial", and a humorous cutting from "Androcles and the Lion" was Terri's selection.

Another first for GHS during the 1965-66 school year was the Charter chapter of the National Forensic League. Thirteen members by gaining enough points through speech activities were inducted during a Parents' Speech Night at school. Attaining the Degree of Distinction were Diane Graves, Cathy Motis, and Linda Lyslo.

Linda Lyslo was this year named "Miss Minnesota of High School Speech." Linda competed in all eight Minnesota State High School League speech divisions on the same day at Macalaster College and won her title by defeating all other entrants.

The Laker Homecoming "Victory" was placed by a 19-19 tie when G.H.S. met the Alexandria Cardinals on Friday, October 15.

Coach Waxlax expressed the view that Glenwood had the better team, but two Laker fumbles deep in Cardinal territory and two key penalties equalized the game and the score.

It was a game of rugged ground attack against a potent Alex aerial offense. The Lakers rolled up 210 yards to 152 for the Cards but were surpassed in the air by 20 yards to 152 yards.

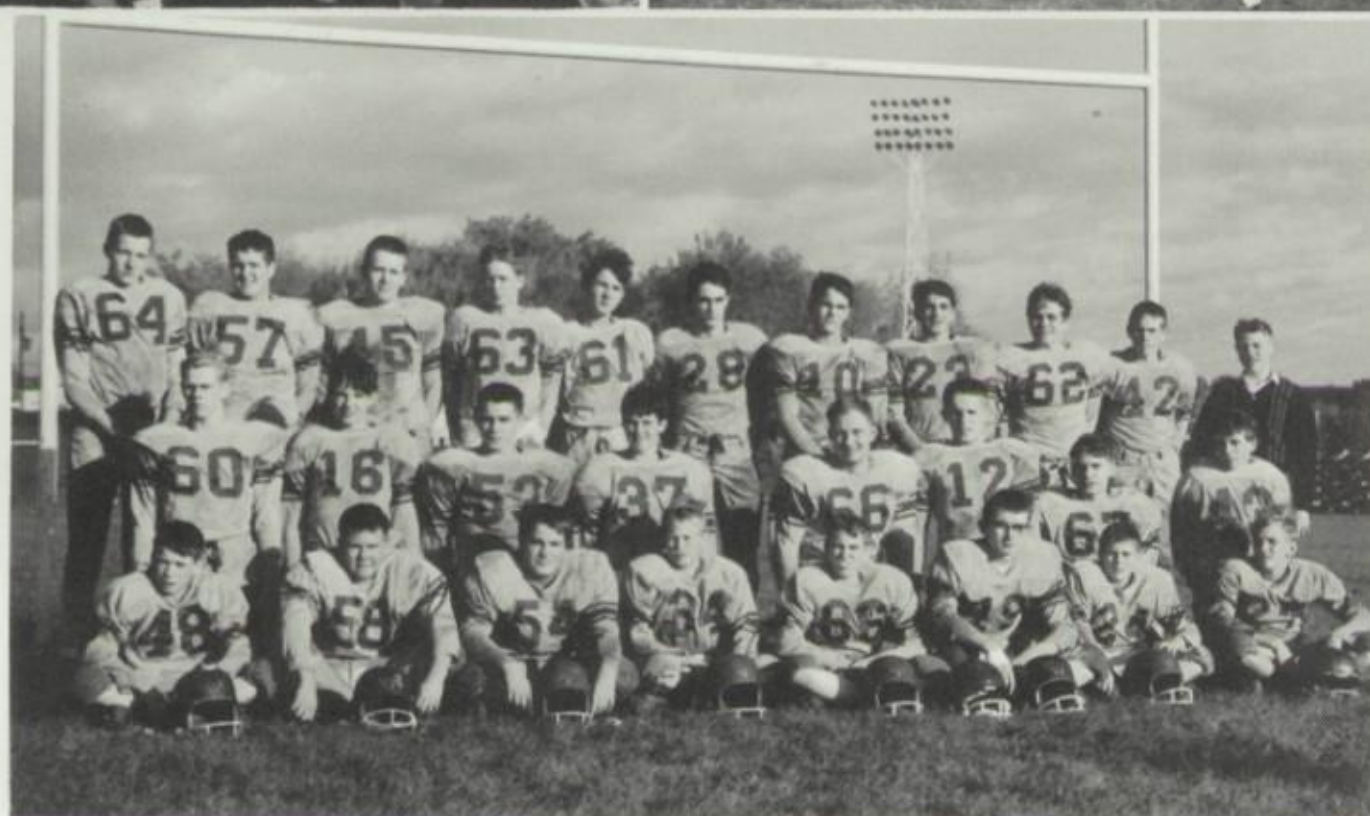

Laker performances were highly praised as the team pulled out the next best thing to a Homecoming victory.

BASEBALL

The weatherman was the big winner this spring inasmuch as most of the conference games were cancelled.

The Lakers won their first game of the sub-district by defeating Evansville 10 to 0. There are only two seniors in this year's starting line-up, so the prospects for a good season next year should be encouraging. Although he is not pictured, Mr. Darrel Kinden is assistant coach.

Due to the immobilization of Mr. Ted Schmeckpeper, the regular golf coach, as a result of an automobile accident, Mr. Dareld Hirschey took over the duties as

The 1965 football squad of Glenwood High School compiled the best record this school has had since 1956 with 5 wins 3 losses and 1 tie.

The season opened with a grand victory over Elbow Lake 26-0! The team went on for three more consecutive victories over Sauk Centre, Osakis, and Montevideo. The tough Morris Tigers handed the Lakers their first loss 13-6. Litchfield, always a rugged team, defeated the Lakers by only 1 touchdown. The homecoming game with Alexandria proved to be the closest game of the season with the final score demonstrating the evenly matched skill of the 2 teams, 19-19. Homecoming was followed by what might be termed the most jubilant game Glenwood had experienced for many years for the great Lakers defeated the Wilmar team, a feat which had not been accomplished for nine years! The season ended with a 12-0 loss to Benson. The Lakers placed fourth in the West Central Conference, giving all of their opponents a rough struggle.

The "Lady of the Lakers" stage was inverted to become the throne from which Queen Judy ruled over the 1965 Homecoming Dance. Decorations of blue and silver transformed the big gym into a fitting ballroom for capping the weekend's festivities. The Marauders from Marshall provided the music for the presentation of royalty and the dancing pleasure of the large crowd which attended.

WINTER WONDERLAND

For the first time, Glenwood High School held a winter formal. The dance was sponsored by the Student Council and attended by grades 10-12.

A band, Napoleon 1st and the Relatives, was hired, and the theme was Winter Wonderland. Those attending were attired in formal or semi-formal dress, and though the attendance was small, the dance was considered a success.

Mr. Paulson, crew and cast again represented region six in state one-act play competition, receiving an 'A' rating. At the district level, Peter Rykhus was awarded the best actor medal and Steve Nestor was chosen best supporting actor. "The Grass Harp," a comedy, con-

cerns three fugitives from the antagonistic forces of society. Concern of self-righteous townspeople and the rebels' firm stand make the play truly humorous and thought provoking.

The Remarkable Buster was the real star of Glenwood's one-act play. The Buster you see here is actually Buster IV who was preceded by three wonderful aquatic actors who gave their lives in the line of duty. The cast remembers fondly their fishy friends and the part they played in winning an 'A' at the state contest.

 Friday evening, May thirteenth

The 1966 Junior-Senior Prom was a record breaking event for Glenwood High. Ninety couples registered for the prom itself—more than any previous prom.

The Windjammer Cruise had smooth sailing all the way. The anchor was taken in and the captain called "Ship Ahoy" at 7:30 Wednesday, May 11. The banquet was a great success, being held at Peters', where there was ample room for the large crowd. Best Mixers were announced after dinner and Evelyn Oeltjen danced her interpretation of "Sailors' Fantasy".

The prom began at 9:00 p.m., May 13, with the Grand March. It was one of the most impressive marches ever due to the great number of couples. With people dancing to the music of the Newports, there wasn't a dull moment up to 1:00 when the prom, itself, broke up. But everyone resumed activity shortly afterwards in the American Legion clubrooms.

The after-prom party was termed a greater success than its predecessors since nearly everyone attended and the parents kept things moving at a rapid pace until 5:30 a.m. At that time the gangplank was dropped and most of the hearty passengers and crew members retreated to bed with wonderful memories of their Windjammer Cruise!
